LAUNCH CENTENNIAL PROJECT CAMPAIGN

Plans were finalized last week at a meeting of the Drayton Valley and District Centennial Committee for launching a campaign to raise \$34,000, the amount required to complete financing of the Centennial Civic Centre and Arena.

First contribution to the Centennial Civic Centre and Arena fund was made by the Rocky Rapids 4-H Garden Club who pledged \$20 in September. Sherrold Moore, treasurer of the Centennial Committee, is shown above accepting the club's donation from Caroline Kjorlien, president of the club. Also pictured are front row, left to right: Vera Hodgson, Christine Romanchuk, Kathleen Kjorlien, Sherrold Moore,

Caroline Kjorlien, Verna Hodgson and Judy Romanchuk. Back row, left to right: Ray Wickens, chairman of the Centennial Committee, Valerie Hutcheson, Marilyn Vowk, Cindy Vowk, Linda Dusterhoft and Mrs. E. Schultz, club leader. Other members of the club who were not available when the photo was taken are Dale Mastre, Dale Campbell, Bernie Frost, Eileen Kjorlien, Diana Kos, Sonia Urchyshyn and Darlene Townsend.

Total cost of the project is \$226,000 of which \$21,288 will be realized by centennial grants, \$100,000 from the Town of Drayton Valley, and \$70,000 from I.D. No. 77, leaving \$34,000 to be raised locally from industry, business and private individuals. Receipt of the major grants is contingent upon raising the \$34,000.

The committee has received tentative approval from the Alberta Centennial Commission on the basis of reaching the campaign goal and expects to start work on the project by the middle of May of this year. The centre will be constructed in downtown Drayton Valley on a site opposite the curling rink.

Letters and brochures explaining the Centennial project went out during the last ten days to over 200 local businesses, oil companies and oil service, manufacturing and supply companies. The general public is also asked to contribute to the project. (Some brochures are still

available at The Western Review for anyone who would like a copy.)

In anticipation of a successful campaign, the Centennial Committee has already started on the final drawings of the project so that no time will be lost when final approval is received. It is hoped to have the building completed by the fall of this year.

To keep the public informed of progress in the fund raising campaign arrangements have been made to set up a large thermometer type sign in front of the Drayton Valley Hotel. The Western Review will also carry a week by week account of the funds progress.

The Centennial Committee welcomes any inquiries and any of the following will be happy to answer any questions: C.R. Wickens, S. Moore, B. Gooding, T. Joyce, C. Rosenberger, D. Barnes, W. Dusterhoff, F. Hoge, C. Albert, L. Tucker, R. Zander, and H. Pickup.

Hope Held For Extension To Hospital

It was reported at last Thursday's meeting of the Drayton Valley and District Chamber of Commerce that the possibility of an extension to the Municipal Hospital here looks promising and that interest in a nursing home in Drayton Valley appears to be increasing.

Howard Pickup, commenting on the hospital situation, stated that an inspector had visited the town to report on the hospital situation.

It was also reported that some interest was shown by four building firms in regard to the construction of a nursing home.

In illustrating the need for a nursing home, Mr. Pickup stated that a survey of seven doctors in Drayton Valley and Breton, revealed that from their present case loads 75 people could immediately be recommended for nursing home care.

MANPOWER RESOURCES

Canada's new Manpower Mobility Program will help to make full use of the country's manpower resources. Full details about this program are available from your National Employment Service.

Council Approves Paving Expenditure

At last Thursday's meeting of Town Council by-laws authorizing the expenditure of \$156,200 for street paving, sidewalks, curbs and gutters in 1966 were given the necessary three readings and declared law.

Application will be made for Municipal Development and Loan Board funds from the federal government to cover the projects contained in By-laws 351, 352 and 353.

Of the total \$34,700 will be used for sidewalks, curbs and gutters; \$15,500 for the paving of some industrial streets; and \$106,000 for the residential paving program.

COUNCIL BRIEFS

The secretary reported that Consol Ventures Ltd. have rejected the town's offer to buy lots 6 and A in Block 2, Plan 6662 KS for \$15,000. The secretary was instructed to determine from Atlicic Management the present asking price of the lots.

It was decided to authorize the incorporation of an acci-

Sherrold Moore (right) receives a contribution toward the Centennial Civic Centre and Arena from Jeff Germaniuk while his brother Grant waits with his money ready. Ray Wickens, chairman of the committee, is an interested spectator on the left. The boys, sons of Mr. and Mrs. B. Germaniuk, each raised \$20 toward the Centennial fund by selling papers, bottles and batteries, etc. The boys' donations were the 2nd and 3rd received by committee treasurer Moore toward the goal of \$34,000 to complete financing of the project.

Annual Ice Carnival Saturday

A big evening of entertainment is planned in Drayton Valley this Saturday, March 12th on the occasion of the 11th Annual Ice Carnival.

The Drayton Valley Figure Skating Club has put in many hours of practicing in preparation for the event and a full program of interest to

young and old is promised.

Instruction of the skating class and planning the ice show routines was by Miss Linda McMorris, Miss Lyn Burrows, Mrs. Pat Suitor and Mrs. Marjory Barnes.

A highlight of the evening will be the crowning of the Carnival Queen with three local girls contesting the

honor. They are: Val Krause, representing the service companies; Anne Oscar, representing the producing companies; and Carol Townsend, representing local businesses. Tickets for the Carnival Queen contest are on sale from many local sources.

Legislature Hears Of Drayton Progress

Mrs. C.R. Wood, Social Credit M.L.A. for Stony Plain in an address in the Legislative Assembly last week paid tribute to the Stony Plain Volunteer Firemen in once more leading Canada in Class F National Fire Prevention Association Competition and reported on the progress made in Drayton Valley with its 5-year street paving program and steps for a Master Plan of the area -- a step in the right direction.

She told of the work at Big Bend on the Brazeau on the second generating unit and said, "This project, besides giving pollution control in the North Saskatchewan River and electric power, it has opened up an excellent resort potential in what was formerly wilderness area and it has opened up a large territory."

Her other remarks were against fluoridation of public water supplies and advocated any of twelve alternatives that would not impose compulsion on aged persons, chronically ill or those having allergies. It infringes on the rights of the individual to choose what he shall take into his body as medicines or treatment and since only one-tenth of one percent of the water used is for children under 10 or twelve years of age, and not for adults, it is costly as well as unethical she said.

Council Meeting

Cont. from Page 1
dent and life coverage program to be borne on a fifty/fifty basis by employees and town subject to finalization after a meeting between employees and councillors scheduled for Thursday, March 10th.

The secretary also reported that the nursing home project has had response from four building firms. A representative from one firm had arranged to visit Drayton Valley for further discussion.

The works superintendent explained to council the problem that has arisen with controlling installation of water lines in property from property lines to the building. It was moved and carried that a new bylaw amending Bylaw 39 to provide that the fee for water and sewer connection be \$5.00 if it is taken out separately from the interior plumbing fixture installation permit.

The Police Department was authorized to arrange a radar speed timer demonstration for the purpose of ascertaining its value and feasibility for traffic control in Drayton Valley.

Funeral Services for A. Bouvier

Funeral services were held Monday for Arthur Bouvier, 23, of Violet Grove who was killed Thursday in an oil drilling rig accident in the Pembina Field.

He is survived by his wife, Wendy; his parents, Mr. and Mrs. Pete Bouvier

of Gravelbourg, Saskatchewan nine brothers, Germaine and Armand of Oak Lake, Manitoba, Adrian and Andre of Regina, Pete and George of Gravelbourg, Saskatchewan, Marcel of Brandon, Manitoba, Roland of Drayton Valley, Colin of Moose Jaw;

three sisters, Mrs. (Cecile) Louis Pequin of Violet Grove, Mrs. (Lillian) Art Hoehn of Moose Jaw, Mrs. (Margaret) Eugene Erickson of Estevan.

Requiem Mass was said at 10:00 a.m. on Monday, March 7th at St. Anthony's Roman Catholic Cathedral, Drayton Valley. Reverend E. Lynch was the celebrant and interment made in St. Joachims Cemetery, Edmonton.

April Wapshott, centre, Queen of the Wildwood Bonanza Days Carnival is shown above surrounded by girls dressed in the Klondike theme that was carried out throughout the Wildwood Hall and by a large number of residents of the community. The carnival held last Friday and Saturday attracted visitors from communities over a wide area including many from Drayton Valley. The carnival, which was very successful, is an annual event sponsored by the Wildwood Elks Lodge.

Drama Workshop Saturday

A regional drama workshop presented by the Drama Division of the Provincial Recreation and Cultural Development Branch will be held in Drayton Valley on Saturday, March 12th

To be held in the Recreation Office of the Town Hall, the workshop will cover various phases of acting, speech and make-up. Instructors will be Freda deBranscoveille, Jerry Basil and Jack McCreath.

About fifteen residents of the community are expected to attend.

The Red Cross loaned nearly 61,000 articles of sickroom equipment free to 38,000 persons who were ill at home last year.

DRAYTON VALLEY

Regular Meeting Of Chamber

Regular monthly meeting of the Drayton Valley and District Chamber of Commerce was held in the Town Office on Thursday evening of last week. General business was reviewed and reports of committees heard and discussed.

* * * *

A letter was received from the Fort McMurray Chamber of Commerce suggesting a visit to that community by the Drayton Valley Chamber and the proposed date, March 19th.

Considerable discussion followed reading of the letter and it was felt it would be difficult to arrange such a tour in the time available. The proposal will accordingly be held over for further consideration and possibly undertaken at a later date.

The secretary will inform the Fort McMurray Chamber of the decision with thanks for the offer.

* * * *

Rev. J. Strachan reported on activities of the Christmas Welfare Committee and stated that information on methods used elsewhere had been obtained from the Edmonton and Wetaskiwin Welfare Councils.

Meetings had been held with local groups concerned with welfare, he said, and their support assured. At the next meeting it is planned to have the director of the Edmonton Welfare Council present to offer guidance.

* * * *

Peter Jacobs reported on a trip by Drayton Valley delegates to attend a meeting on tourism held in Hinton. The meeting is reported elsewhere in this newspaper.

* * * *

Bob Cowan, reporting for the Education Committee, stated that a course in finance and taxation had been cancelled as only four registrations were received.

The bookkeeping and photography classes were completed satisfactorily, he said.

* * * *

Karl Degen, reporting for the Agricultural Committee, stated that information had been received to the effect that an inspector of the P.F.F.A. was in the area making a survey of farm harvests.

He also commented on the value to the community and the area on the opening of the new auction mart. He stated the area was rapidly expanding its farm economy with emphasis on the cattle industry.

In the same vein, he reintroduced the question of the possibility of the establishment of a feed mill here. There appears to be some local interest in undertaking such a venture and the membership expressed the hope that such a service to district farmers would become available in the future.

* * * *

It was reported that a shopping survey is being conducted in the town and district with a view to determining the feelings of people using local outlets in regard to service and facilities. It is intended to cover as wide an

area as possible with the survey.

* * * *

A letter was received from Alberta Government Telephones which stated that although the Tomahawk exchange was being converted to the dial system it would still be retained as a separate exchange. The letter stated the distance between Tomahawk and Drayton Valley was too great to have the

Tomahawk exchange tied into Drayton Valley.

* * * *

Al Braden and R. Smith reported on attendance at the annual meeting of the Central Chamber of Commerce held in Olds recently.

INTERDENOMINATIONAL BIBLE STUDY

On Thursday, March 10th the study of Revelation Chapter 14 will continue at the home of Mr. and Mrs. Donald Snell, 5016, 49th Street at 8:30 p.m.

Anyone interested in Bible Study will again be most welcome.

Gamma globulin is a product made from blood plasma. It is useful in the prevention or modification of measles, german measles, mumps, polio and infectious hepatitis.

Drayton Joins Tourist Association

At a meeting in Hinton recently, plans were set in motion to promote tourism in Western Alberta by the organization of Zone 7 of the Alberta Tourist Association.

Mr. George LeStrange, Manager of the Alberta Tourist Association and D. Williams of the Alberta Government Travel Bureau were present at the meeting attended by representatives from many communities in the Western area.

Set up for the purpose of promoting tourism, largely through advertising, the zone organization adopted the name, "Evergreen Tourist Association."

Officers of the new group elected at Monday's meeting are: Jack Hooke, Edson, president; H. Zolmer, Drayton Valley, 1st Vice-president; J. Scott, Edson, Secretary. Directors are: H. Pickup, Drayton Valley; Dexter Champion, Hinton; Louis Hedberg, Devon; W. Fowler, Hinton; and Bob Roloff, Whitecourt.

Next meeting will be held in Drayton Valley on March 28th at 6:30 p.m.

Come spread *your* wings in a Falcon (You'll fly first class on *Economy fare!*)

Right from your first glance you can tell Falcon's styling has taken on a new sleekness. It's low, lean, sporty, with a long-hooded Mustang look.

And right from your first trip, you'll realise that's not the only change! Falcon has a new handling "feel"... thanks to its new wider track. The ride is smoother and quieter as well... the longer wheelbase and new front torque boxes see to that.

When you take over the controls, you'll appreciate Falcon's new driving con-

veniences. A suspended accelerator pedal, reversible keys, keyless locking, an outside rearview mirror and lighted selector quadrant on the optional 3-speed dual-range Cruise-O-Matic are all new on Falcon. And your passengers will find Falcon much more roomy, with more hip room, more shoulder room and more knee room under the "swept-away" instrument panel.

But with all this new styling, new handling ease and extra roominess, Falcon is as thrifty as ever. The standard Six

is tops in economy. And there's an optional 120-hp Six or 200-hp V-8, if you like even more lively performance. See your Ford Dealer. Ask him about the Falcon luxury at economy fares... you'll be amazed at the savings you'll make!

Editorial — Comment

LOOK TO THE FUTURE

Residents of the community and area are being asked now and during the next few weeks to help raise the \$34,000 needed to complete financing of the Drayton Valley and District Centennial Civic Centre and Arena.

The goal, though it appears formidable, will, we believe, be achieved by a strong community spirit and the awareness of what such a centre will mean to this area in the future.

The need and usefulness of the centre for a wide and diversified number of activities and by equally wide and diversified groups of people has already been pointed out. But we would like to add that the construction of this centre will probably do more for the unification of town and rural people than any other recreational or cultural venture likely to be undertaken in the foreseeable future.

With agricultural activity expanding rapidly in the area, Drayton Valley will over the years assume an increasing importance as a farm centre. It is important now that we take every possible step to make the town the friendliest and most attractive business and recreational centre in the West country. The civic centre and arena will go a long way toward accomplishing this -- another progressive step for this community and the West.

Encouraging Industry

The Economic Council of Canada has again emphasized the importance of developing employment opportunities for the constantly expanding Canadian working force. Chambers of Commerce in literally hundreds of Canadian communities are working to encourage industrial expansion and to seek new industries and so to expand the job opportunities in their respective communities.

The efforts of Canadian businessmen through their Boards and Chambers across Canada to expand the business in their community now becomes extremely important and affects the welfare of every Canadian.

Many Attend Opening

Between 600 and 700 persons from a wide area in Western Alberta were present for the opening of Sekura Auctions in Drayton Valley last Wednesday. As well as from Edson and points North of here, many from Wetaskiwin, Leduc and other North-central communities were on hand.

A.A. Braden, president of the Drayton Valley and District Chamber of Commerce, in a switch from the usual snipping of a ribbon with scissors, cut a rope with a jack knife to officially open the premises.

Also taking part in the formal opening ceremony was Mayor Howard Pickup and Dr. Best, Supervisor of Alberta Veterinarians, who brought greetings from the provincial Department of Agriculture.

Owner of the new business, Mr. W.J. Sekura was happy with the success of the opening day and is looking forward to increasing the potential of the venture as it becomes known and accepted by farmers and buyers throughout this part of the province.

Regular sales will be conducted every Wednesday with additional sales on other days of the week as they are required.

There will be about 135 restaurants and snack bars at Expo with a seating capacity of 23,000. Meal prices will range from \$1 to \$5.

Some of the members of the Drayton Valley Elks Junior Rifle Club are shown above lined up on the firing line during a regular

target shooting session of the club. Bolts were removed from the rifles before this picture was posed.

Firearm Safety Prime Objective Of Rifle Club

Teaching young people safety with firearms is a major part of activities of the junior rifle club sponsored in Drayton Valley by the Elks Lodge. The club, now in its sixth year, has a membership of about 50 boys and girls who target shoot and attend firearm safety lessons every Monday evening in the Elk's Hall.

Following the juniors each Monday evening, members of the senior rifle and pistol club also use the hall for tar-

get shooting.

About 300 youngsters have received the benefits of rifle training during the club's six years with the membership usually running around 50 each year. Three charter members of the club, Ricky Webber, Esther Webber and Ricky Gabrielson are still active members of the club.

Instruction and adult guidance is provided by Earl Thompson, president of the club, and Louis Regnier, secretary. Mrs. Tina Regnier is the scorekeeper.

Club members pay a fee

of \$1.00 a year which goes toward the purchase of rifles and equipment.

Moon Lake News

Mrs. Barbara Schenk
Correspondent

There seems to be an epidemic of hurt hands in our district lately. Peter Urkevitch was in hospital with a badly cut hand which he cut while splitting wood in camp.

Saturday night, January 26th Peter Jans caught his hand in the V pulley of the pump jack and crushed one finger bad enough to break the bone and put a nasty gash in the other one. He walked to Harry Wall's and was driven to the hospital for

treatment.

We wish Floyd Chambers and Pat Chaney a speedy recovery. Also hope Patsy Romanchuk is feeling well again.

The ladies of Moon Lake held another meeting on Monday, January 28th in order to varnish the walls, clean out the shed and pick out a quilt pattern. They are planning to have a sewing instructor come out to the hall April 1st. Anyone interested is welcome.

Debbi Burki and Beatrice Swap tied for the big jackpot prize of \$250.00 at our Bingo Thursday, March 3rd. Congratulations to both of them.

Buck Creek News

Mrs. Gladys D. Stec,
Correspondent.

The community club will sponsor a social evening and dance at the hall on March 18th.

Taking in the Seba Beach ladies bonspiel were Edith Kent, Lilly Roos and Nat Bootsma. Mr. Ed Gaudet motored to Edmonton Saturday to curl at the Sportex. Although none of the Buck Creek curlers returned with the prizes, they all thoroughly enjoyed the curling.

Get well wishes go out to Mr. Jim Hauser and Mr. Wilfred Johnson who are patients in hospital. We wish you both a speedy recovery and hope to see you home soon.

The next meeting of the Willing Workers Ladies Club will be held at the home of Mrs. Tom Bevan on March 16th.

The bingo held at the hall Saturday night was a real success with Miss Bernedette Regenwetter taking home the master prize.

A combined farewell party sponsored by Goliad and Pembina Pipeline was held in the Legion Hall last Saturday night. The party honored Al and Norma Wagner, who are leaving the district to make their home in Calgary.

BEEF CATTLE PROSPECTS

Canadian cattle prices in 1966 are expected to average at least as high as those of last year. Exact prices, however, will be determined by the export demand for feeder cattle and beef as well as the weights at which fed cattle are marketed in Canada and the United States.

According to R.E. English, Agricultural Statistician with the Alberta Farm Economics Branch, Canadian exports of slaughter and feeder cattle to the United States almost tripled last year compared with 1964. Feeder cattle exports increased from \$90,487 to \$396,031. Net exports of beef totalled 48 million pounds last year compared to net imports of 13 million pounds the year before. Mr. English points out that these were the important factors which contributed to last year's improved cattle situation.

Present rising prices for fed cattle are increasing feeder profits and will ultimately result in keener competition for replacement animals, says Mr. English. Estimates of beef cattle numbers in Canada on December 1st support the assumption that there are fewer cattle in Canadian feedlots than there were a year ago.

The price of feeders in relation to the price of finished cattle is improving. According to Mr. English, good returns to cow-calf operators provide an incentive for expanding the beef herd. The North American cattle industry is now entering the build-up phase of the cattle cycle.

Mr. English reports that net marketings of Canadian cattle through grading points and directly onto the export mar-

ket last year totalled 3,102,742. This figure represents a 23 per cent increase over the previous year. The number of steers and heifers sold for slaughter increased 2 per cent and 33 per cent respectively. Cow slaughtering increased 34 per cent.

The volume of beef produced in inspected plants during 1965 was up 10 per cent and domestic disappearance increased 6 per cent. A buoyant economy and an increasing population, says Mr. English, will further increase beef requirements.

CELEBRATE NINE YEARS SERVICE

LIONS HOLD CHARTER NIGHT

The Drayton Valley Lions Club celebrated nine years as a service club in this community on Friday, February 18th at the Elk's Hall. The Charter Night Anniversary activities proved to be a success in every respect.

Following a most delicious supper prepared by the Anglican Ladies, the program continued with talks by District Governor Ed Hay, Deputy District Governor Tony Rennelberg and Mayor Howard Pickup. Adam Eckert presented Ed Hay and his wife with a gift from the local club. The District Governor made the following award presentations: Key Membership to Fred Schipper; 5 Year Perfect Attendance to Fred Kaarsemaker and 1 Year Perfect Attendance to E. Gill, F. Kaarsemaker, R. Cabel, B. Demers, R. Dziwenka, A. Eckert, W. Hullick, F. Schipper, J. Tauren, B. Telford, F. Walther, M. Matthews, D. Rhyason and S. Lunan. Alf Armstrong did a fine job as chairman for the evening.

The raffle of the RCA Stereo Set was postponed to April 15th or earlier, depending on ticket sales. We

regret the delay more than anyone, but, we also would appreciate the chance to break even with expenses.

Zone 1B Lions Clubs are having a Curling Bonspiel at the Sportex in Edmonton on Sunday, March 13th. Three local rinks are entered.

A couple of carloads of Lion members and wives

helped Tofield and Mayerthorpe celebrate their charter anniversary.

At a recent regular meeting F. Kaarsemaker gave a run-down of events at the mid-winter Conference that was held in Red Deer on January 14th and 15th.

Plans are now being made for an outdoor carnival on June 17th and 18th.

Board Makes Plans For Library Week Activities

Thanks go to Mrs. St. Louis, Mrs. Wagner and Rev. Strachan for donations of books to the Municipal Library.

The Library Board is making plans for Library Week which will be celebrated this year from March 26th to April 2nd inclusive. Adults are invited to take their morning coffee break in the library from 9 to 11 Tuesday, March 29th. At this time new books will be on display. The library staff is attempting to meet the demand for more and more juvenile non-fiction.

Recent additions are: "The Rowboat War" by Fred Swayze; "Skating for Beginners" by Barbara Ann Scott; A biography of Tecumseh the great Indian Chief has just been released. A well illustrated book on dinosaurs should answer many questions on the subject for young students.

Hope to see you on the morning of March 29th if not before.

In this modern age men who die with their boots on usually have one of them on the accelerator.

Shown here are members of the Robert Schurman rink who won top prize in the high school bonspiel held in Drayton Valley last weekend. From left to right they are; Allan Mattoon, second; Linda McMorris, third; Bonnie Baxter, lead; and Robert Schurman, skip.

Schurman Rink Wins High School 'Spiel

Last weekend the Drayton Valley Curling rink was the scene of Frank Maddock High School's annual bonspiel. A total of thirty-two rinks competed for approximately \$200 worth of prizes and trophies.

Schools from Evansburg, Onoway, Breton and Warburg were also represented.

In the First Event it was a fight to the finish between the Robert Schurman rink and that of Gerald McMorris, the victors being Robert Schurman and team. Other winners in the first event were: the Gerald McMorris rink who won second prize, the Willie Hatt rink finishing third, and the Paul Joyce rink coming out fourth.

In the second event L. Lafleur of Onoway walked off with first prize and the John Jouan rink of Warburg took second place. The rink skipped by Gerry Anderson of Drayton Valley placed third and Neil Waugh and team came fourth.

Third Event winners were: the Barry Johanneson rink - first, Wayne Labossiere and team, second; the Ray Letiniuk rink - third and the Jaschke rink from Evansburg fourth.

A special prize of four bags of marbles was awarded to the Lanny Schultz rink of Rocky Rapids, the first rink to be knocked out of the bonspiel.

The various prizes were generously donated by the merchants of Drayton Valley and sizeable gifts of money were contributed by oilfield firms.

At 6:00 Saturday evening the banquet commenced at the Elk's Hall, the food being donated by interested mothers of Drayton Valley whose sons or daughters were curling in the bonspiel. After the banquet there was a dance held in the Hall with the music supplied by "The Gemini 4", an excellent band from Edmonton.

For those who participated it was a tiring but enjoyable weekend. The winners were

awarded lovely prizes and the losers gained experience as well as blisters.

It takes an average of 20 units of whole blood for one open heart operation.

James Orioux, above left, principal of St. Anthony's School, presents the tournament trophy to Doug Rennie, captain of the Drayton Valley Junior High School Huskies, winners of the junior tourney held at St. Anthony's last Saturday. Other members of the Huskies look on as the presentation is made.

Huskies Win Junior Basketball Tourney

Drayton Valley Junior High School Huskies defeated St. Anthony's Saints in the final game of last Saturday's basketball tournament by a score of 45-7 to win top honors in the tourney.

A good crowd was in attendance and were entertained throughout the tournament by some excellent basketball with teams from Breton, Win-

field, Drayton Valley Junior High and St. Anthony's School participating.

The first game featured a thrilling contest with the St. Anthony's Saints topping Winfield Rockets by a close margin of 21-20. The Drayton Valley Huskies then dominated play throughout the second game as they easily defeated the squad from Breton by a 42-9 count. The two disqualified teams then matched wits with Breton defeating Winfield by a score of 24-16.

In the final match for the tournament championship the game concluded with St. Anthony's bowing to the Huskies by a 45-7 victory.

All-star trophies were awarded to Keith Sodergren of The Saints, Dale Cartier of Winfield, Danny Sobom of Breton and Doug Ibbitson and Don Bouchard both of the Huskies.

Hospital Auxiliary Holds Regular Meeting

The Drayton Valley Hospital Auxiliary held a meeting on February 10th. There were seventeen members and four guests present.

The president reported that all of the required pictures for the hospital have been bought. Also, the drapes have been purchased and the planter for the solarium has been finished and set up.

Thank you notes are to be sent to Mrs. Whittaker for knitting, to Mr. Seal for making the planter and to Mr. Cathrea for purchasing the clock for the waiting room of the hospital.

Everyone is to be reminded of the rummage sale which will be held about the 25th of March. An exact date will be set at our next meeting.

It was reported at this meeting that curtains are

needed for three wards, the nursery and the waiting room of the hospital. It was moved

and seconded that these items be purchased.

Mrs. Palmer is to bring a record on mental health which is to be heard at the next meeting of the auxiliary. This will be on March 10th, 1966 at the nurses' residence. Anyone interested is welcome to attend.

D. V. Highlights

BY MRS. EDITH DEBY

A special meeting for members of the Farm Union is called for Monday, March 14th at 8:00 p.m. in the Town Hall. Mr. M. Cameron will speak on M.S.I. Group Insurance.

Granny Landers is well enough to be out of hospital and is staying with her son-in-law and daughter, Mr. and Mrs. Maynard Allen.

Friends of Mrs. Bohdan Urchyshyn gave her a surprise party on the occasion of her birthday. We should like to add our good wishes for many more happy birthdays, Mrs. Urchyshyn.

A wedding of interest to many of us will be solemnized in Knox Church, Bassano, when Miss Marilyn Faye Marik becomes the bride of Mr. Frank Kynoch. Frank is the youngest son of Mr. and Mrs. Gordon Kynoch Sr.

Mrs. Lila Burge passed away recently and was buried in Dauphin, Manitoba. Mrs. Burge made many friends here when she lived with her son-in-law and daughter, Mr. and Mrs. David W. Glen.

We hear that wedding bells will ring for Miss Edna Look this spring.

Mr. Arthur Bouvier lost his life in an oilfield accident last week. Our deepest sympathy is extended to his wife and all other members of his

family.

Mrs. Gordon Kynoch Sr. has been discharged from University Hospital and is staying with relatives at Whitecourt.

John Ewanicke had the misfortune to lose his pig barn with two sows and two litters of pigs when fire swept through the structure. A quantity of grain was stored in the building at the time and is a total loss.

Good wishes are extended to newly weds, Mr. and Mrs. Burton Kennedy, nee Myrtle Johnson.

While in the city last week Mrs. Edith Dunnington called on several former Drayton Valley residents. Among these was Mr. Harvey Morrow.

Mr. Morrow, now eighty eight years young, is in remarkably good health and spirits. He is always glad to see some of his old neighbours from Drayton Valley.

Mr. and Mrs. William Chisholm and family of Calgary were district visitors on the weekend.

Friends gathered in the Elks Hall on Friday evening to hold a Farewell Party for Mr. and Mrs. Andrew Johnson who will soon be leaving to make their home in Vernon, B.C. Mr. Earl Kelly presented the Johnsons with a purse as a farewell gift from the community. Both Mr. and Mrs. Johnson expressed their appreciation. Andrew is one of the true pioneers of our district having come as an infant in 1917. We predict that the Johnsons will have a great many visitors this and every summer.

Miss Peggy Bills spent the weekend with her parents, Mr. and Mrs. Dan Bills.

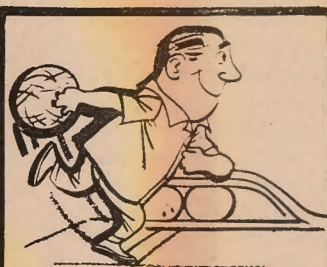

Lodgepole News

Mrs. W. Norquay
Correspondent

A meeting was held in the Town Office here last Monday afternoon to discuss the possibility of putting artificial ice in the Lodgepole curling rink. The matter has yet to come up at a Town Meeting.

In The Legislature

By Mrs. Cornelia R. Wood, M.L.A.

W. Switzer (Liberal Edson) led off in the throne speech debate on Friday of the second full week of the Legislature. It was his maiden speech in the House and he stated Edson Constituency was rich in resources. He called the \$50 tax discount a "government handout" but urged that ARDA be speeded up in his area to give many people needed help. He reported on the construction of the Alberta Resources railway to the North through his constituency and asked that the wilderness area along it be preserved.

Honourable A.R. Patrick, Minister of Industry and Development, the first cabinet minister to enter the debate, devoted most of his talk to the Tourist Industry and means of improving it. He criticized the Federal Government's National Parks Policy and stressed the fact that these parks should be for all people and not just a handful of mountain climbers, ski jumpers and bird-watchers. Mr. Patrick stated that Prince Charles might have been going to school in Alberta instead of Australia, if it were not for the Federal National Park Policy.

Ira McLaughlin, a Minister without portfolio reported on the schools medical centre, road work and general development in the North country during the past year, but three years of drought have caused the farmers much hardship, he stated.

Another Cabinet Minister,

Hon. L.C. Halmrast, Minister of Public Welfare reported on plans in his department for prevention of welfare services for those able to be rehabilitated. He reported that welfare cost Alberta \$26,000-000 last year and the Federal Government the same. He stated that marriage counselling is in the new program of rehabilitation with the province paying 80% and the municipalities paying 20%. He told of religious barriers being removed in placing children for adoption.

Tuesdays and Thursdays being Private Members days were again spent on resolutions. M. Maccagno Leader of the Opposition withdrew the resolution re fluoridation since legislation had been introduced dealing with the simple majority on a plebiscite.

The leader of the opposition, M. Maccagno has persisted throughout the week in having an answer as to how money could be paid to farmers in the North country and not to farmers who had lost money in the Veregin Stockyards bankruptcy. Honourable Mr. Strom said it was provincial money being paid to farmers in the North who had had three crop failures, but until legislation gave the province the right to pay farmers losses under the bankruptcy, no fund was available for this payment. It was a matter for the Legislature to pass this permissive legislation.

Other speakers during the

week spoke on the throne debate and dwelt on community pastures, the value of schools of agriculture, asking the government to share in the costs of highway freeway construction and sewage plants in cities and urging support and encouragement for Alberta vegetable growing and sales.

W. Dickie (Liberal Calgary, Glenmore) lashed out at Premier Manning for not paying the rebate from the Federal Government on Private Power company taxes which was to take effect January 1st. Premier Manning had announced earlier that the Federal Government had not yet refunded the tax money to the Province and might take up to two years to do so, therefore there is no money to refund as yet.

There is more water than land on the earth's surface.

RAMONA NEWS

Mrs. Wood, Correspondent

The first meeting of the Ramona Community League since the annual meeting on Tuesday, March 1st with Mrs. Wood as President, Jim Blake, Vice-president, Mrs. Lysak as secretary and our three board members, Ernie Solomon, Steve Lysak and Mrs. Pollard.

The dance date is set for March 18th. Come everyone and celebrate St. Patrick's with us. The Ramblers will be supplying the music.

If Mr. Winter co-operates and gives us a little snow on the 12th Ramona and the Gymkhana Club will be having their sleigh ride with a pot luck supper at the Ramona Hall after.

Every success to Mrs. Adelaine Sheeler on her new venture. She will be our

new Watkins dealer. Let's welcome her into our homes. Mr. John Plewis is home for a few days. He hurt his hand in the camp where he is working.

Congratulations to the Hoot Owl Club on their big success with their Bingos and the wonderful improvements on their hall.

Mr. and Mrs. M. Smith were out on the weekend celebrating their 53rd wedding anniversary with their daughter Mrs. Wood. They have left for a trip to B.C. to visit their other daughter, Marty.

Mr. Steve Lysak has been on the sick list. Hope he will soon be feeling better.

Office, Saturday, March 12th at 10 a.m.

ST. PATRICK'S DAY TEA & BAKE SALE in
Roy Burrows Show Room from 2 to 4:30 p.m.
Thursday, March 17th. Sponsored by the
Anglican W.A.

ST. PATRICK'S DAY DANCE sponsored by
the Drayton Valley Royal Canadian Legion
on Thursday, March 12th.

DRAYTON VALLEY LADIES OPEN BONSPIEL
starts Friday, March 18th.

SOCIAL EVENING & DANCE in Buck Creek
Community Hall on Friday, March 18th.

ST. PATRICK'S DANCE at Ramona Commu-
nity Hall on Friday, March 18th.

Softball Meeting

A meeting of all those interested in forming a Men's Softball League within the community will be held in the Recreation Office on March 21st at 7:30 p.m.

This proposed league could take the form of a Church League such as we attempted to organize last summer or it could be made into a Company League or again, it could involve teams from Church groups, Companies, Service Clubs or any other community organization interested in fielding a softball team.

We would like to hear from all interested parties in this matter and definitely plan to attend the meeting of March 21st. Softball in this community in 1966 will depend on the results of this meeting.

GARDEN CLUB TO MEET

The 4-H Garden Club will hold an organization meeting on Friday, March 11th at 7:30 p.m. in the basement of the Town Office. All old and new members are welcome.

If there is interest in a Field Crops Club the 4-H Garden Club could combine together and make a Garden-Crops Club. All are urged to attend the meeting to discuss this topic.

Curling News

Activity at the club is back to normal after a hectic week-end of the men's open bonspiel. All sections are now playing for a spot in a playoff for a set of sweaters. The top eight rinks in each section will playoff for a set of curling sweaters in a straight line knockout draw. This will be followed by the club championship playoffs for the Carling Trophy and miniatures won in previous years by such notables as Howard Cathrea and Ken Ewoniak. All rinks will be playing for this trophy. The names will be drawn out of a hat to decide the positions of the rinks in the draw.

As the scene of the men's open goes into the history books the Ladies Club are getting primed up for the largest Ladies Bonspiel in the club history. Forty-eight rinks will battle for three days in three events for over \$1000 in prizes. With an increase of 16 rinks to the previous years many new faces will be appearing in the bonspiel. The Ladies Club under the capable hands of club president, Betty Waugh have almost completed all the details for the bonspiel. Looks like a great weekend coming up -- March 18th - 20th.

Entries for the coming Hudson Bay Mixed Open have been nearly filled. This bonspiel will end the curling season for this year, the dates are April 1st to the 3rd. A maximum of 48 rinks will be accepted. Entries can be filed with Dr. H. Shimbashi. This again will be a 3 event affair and the value of the prizes up for grabs will be in the neighborhood of \$1000.

Billy Rose is down in Sedgewick this week teaming up with son Normie to play in the annual Sedgewick Open.

Bill won the bonspiel two years ago.

Two rinks from Drayton Valley will be taking in the Annual A.C.A. Bonspiel next weekend. Personnel of the rinks will not be disclosed until game time Monday the 14th of March, the day the bonspiel kicks off.

Adrian Meier will be journeying to Hinton next weekend to take in the Hinton Open. Adrian has been Drayton's Representative to Hinton for the past several years. A recent telephone conversation with the Hinton Club showed a few spots left in the bonspiel. If you are interested in going they would be more than happy to take your entry. Entries can be phoned into 865-2328 or at the Curling Club at 865-2413. Latest starting time is Friday noon on March 18th. This year they will be curling on 10 sheets of ice with a minimum of four games.

Club president, Kevin Goble is off to California to get a head start on the golfers. Gone for two weeks, he should be good for few strokes on the golf course.

Ladies Curling

With one more draw to go in the round robin, Nevis LaBranche is in the lead in the A Event after the Barb Mackenzie was defeated by Libby Mohn. This was the second loss for Barb. Nevis has only one loss.

In the B Event, Sylvia Copeman is leading with Edith Kent a close second.

Thursday, March 10th will be the last draw of regular

season curling. Following this on March 17th, 24th and 30th will be the closed club bonspiel.

At Warburg this weekend three local rinks took part in the Ladies' Spiel. The Bolianatz rink came home with 2nd prize in the First Event, the Burrows rink with 2nd in the Third Event and the Rennie rink came home empty handed but had an enjoyable weekend.

Rangers Entertain

The Drayton Valley Rangers invited the guides to a Japanese supper last Friday at the Scout Hall. Most of the Rangers came in Japanese attire. For entertainment, songs were sung and Sylvia Dion gave a short speech on the Japanese guides. Joy Meraw played a Japanese selection on the piano while the girls were getting their supper and again when the meal was finished.

Served for the supper were: fishsticks, rice, fortune cookies and green tea. The girls ate in a Japanese setting and buffet style.

Thirty-one guides and three leaders were present. The Rangers would like to thank the guides for making the supper a success.

SPECIAL SPEAKER AT CHURCH OF GOD

Next Sunday morning at the Church of God there will be a special speaker in the interest of the Giddeon Society. Everyone is invited to attend this service.

CWL Regular Meeting

The C.W.L. meeting opened at 8:15 p.m. on March 7th in St. Anthony's School Library. Father Lynch and 15 members recited the rosary and league prayer.

The Ham Bingo will be held in the Elk's Hall on Thursday, March 31st at 8:00 p.m.

All interested ladies are encouraged to attend the Strawberry Membership Tea April 24th at 2:00 p.m. in St. Anthony's auditorium.

The Mother's Day Bake Sale is set for May 7th at 2:00 p.m. in the Hudson's

D.V. Players Plan Future Endeavors

The Drayton Valley Players discussed plans for future endeavors at their recent meeting.

It was decided to hold a workshop on acting, speech and make-up. The workshop will be conducted by members of the Cultural Affairs Department from Edmonton. Work-shops such as this present an excellent opportunity for the amateur to improve his performance. The Workshop is being held March 12th in the Town Hall at 10:00 a.m. There are still several openings for participants. Anyone who is interested in attending the drama workshop may phone Pat Moore at 542-3224 for further information, or just come along to the Town Hall on Saturday morning.

The Players are currently negotiating with the Calgary Allied Arts Council to find out whether or not it would be possible to bring a group of professional actors to Drayton Valley. The "Prairie Players", a group of five professional dramatists are prepared to do two performances, "A Doctor in Spite of Himself", an adult play and "The Sorcerers' Apprentice", a children's theatre production. Please watch your local paper for further news of this opportunity to see live professional theatre.

The group discussed tentative plans to have some play readings and to prepare a production for Klondike Days.

LEADERSHIP SCHOOL PLANNED

The 1966 Recreation Leadership School sponsored by the Recreation and Cultural Development Branch will be held from July 3rd to July 30th at the Vocational High School in Drumheller, Alberta.

The purpose of the school is to provide persons interested in leading Recreational Activities with the opportunity to develop their leadership skills.

The cost of this course is \$60.00 for any resident of the Province of Alberta. This school is fully residential. The listed fees include board, room and tuition.

Bay Store. The proceeds of the sale will go into the compensation fund. There will be a potted plant to raffle on this occasion.

C.W.L. members are now busy sewing nighties for the hospital.

St. Anthony's Youth, C.Y.O., are extremely helpful in our parish. They have agreed to help sell some remaining work books and are offering free baby-sitting services to anyone finding it difficult to attend mass. Thankyou C.Y.O.

A nominating committee consisting of Mrs. Tomaszewski, Mrs. Meraw and Mrs. Leniuk was appointed. C.W.L. Members are requested to forward nominations to the ladies within the next two weeks, for positions on the 1966-67 executive.

Following the meeting Father Lynch talked on indulgence.

Mrs. Meraw, Mrs. Holan and Mrs. Leniuk answered likely questions on the annual women's retreat at St. Albert.

We are saddened to be losing a very active member, Mrs. Owen Niehaus. C.W.L. wishes to thank Marilyn for her hard work and wish her well in her new home.

Buck Lake Students Hold 'Spiel

Twelve rinks composed of students from Grades V to VIII inclusive, competed in the Buck Lake Bonspiel held February 24th.

In the First Event, the first prize trophies went to the Mel Dawson rink of Irene Allaine, Douglas Wasyk and Bobby Miku; second prize trophies went to the Shorty Ball rink of Pat Bohning, Robert Watson and Rebecca Dawson; third prize trophies went to Alta Anderson's rink of Darrel Patten, Debbie Bouck and Oliver Sawyer and the fourth prize trophies went to Marius Petersen's rink of Miles Johnston, Mary Duffy and Irwin Badry.

In the Second Event, the first prize trophies went to the Herman Friedenberg rink of Terry Prevost, John Beaudoin, and Linda Seigel; second prize trophies went to the rink skipped by Geneva Patten with Shelby Laczko, Riley Johnston and Juddy Mills; third prize of curling pens went to Norah Dawson's rink of Ralph Becker, Brian Johnston, and Vicki Laczko; and the fourth prize went to Sigward Larsson and his rink of Arthur Larsson, Kathie Bouck and Lyle McLeod.

Consolation prizes went

Winding up Baden-Powell Week about 100 Scouts, Cubs, Brownies, Guides and Rangers attended a church parade at St. Anthony's School on Saturday, February 26th. Cubs and Scouts from Cynthia and Lodgepole also attended the parade and service. The young people paraded from the Town Hall to the school where services were conducted by Father Lynch, Rev. Strachan, Rev. Ingram, Rev. Snell and Rev. Kokot.

to: Barry Bohning, Debbie Inglis, Elaine Badry, Joan Petersen, Brian Johnston, Kathie Kiss, Sandra McLeod, Lyle Patten, Martin Prevost, Patsy Wasyk, Michael King, Wendy Foster, Roland Becker and Mary Jane Beaudoin. These rinks were skipped by Wilfred Anderson, Beverly Seigel, Harold McLean and Joel McLean.

The Buck Lake Home and

School Association extends thanks to all who helped make this bonspiel a success.

Vitamin C is not a long-lasting vitamin in the human body and its supply must be replenished daily. Its best sources are the citrus fruits and tomatoes and their juices which should be included in the daily menu.
